Denotes archers whose age Div Changed 1/1/18

The above standings are as per the ANSW Youth Team Selection Procedure as posted on the ANSW Website.

The qualification scores shown are as per events completed between 8/4/17 and 4/2/18

Archers highlighted in Yellow will change age groups at the 1/1/18. Events shot by these archers in there 2017 (younger age group) will have their scores adjusted to their 2018 age group via the AA Rating tables. This will be done for events shot up until the 31/10/17, after which time event scores for the 2018 age group will only be recognised to improve an archers points standing.

The archers listed are those who have registered for Youth Team Selection.
