AUGUST 2021

2021 STATE TOURNAMENTS

With the current Covid lockdown in place the ArcheryNSW Committee of Management reviewed options as the remainder of 2021 is unclear and have resolved that the State Target Championships, State Field Championships and State Clout Championships for 2021 have been cancelled.

There are a few clubs that are still listed as having tournaments on the ArcheryNSW Calendar, and it will be up to those individual clubs whether or not their events go ahead.

When lockdown ends, and clubs can start to shoot again the ArcheryNSW CoM feels it is very important for clubs to re-establish and engage with members and encourage attendance at club activities for the remainder of 2021.

To this end it has been decided that the 2021 Metropolitan Championships will be conducted in the same manner as 2020, by holding a Postal Competition.

The tentative date planned is the 4th and 5th December 2021. Information will be made available shortly.

As the tournament will be run online and conducted within the club environment, hopefully this will encourage greater club engagement with their members .

2021 NATIONAL YOUTH CHAMPIONSHIPS

With the 2021 National Youth Championships cancelled from earlier in the year Archery Australia has established a postal tournament to be conducted in each State.

ArcheryNSW will be conducting the NSW events on 2 weekends, initially planned for the 25/26 September and 16/17 October at Warringah Archers.

This tournament will include both individual and team events.

Due to the lockdown we are just waiting on advice from Archery Australia as to whether the event can be extended until after the original deadline of the 17th October.
