2021 National Championships and Para Championships

Following the cancellation of the 2021 National Championships due to Covid, Archery Australia have decided to conduct a series of tournament in each RGB.

Each RGB will be conducting two tournaments between 15 September and the 19 December 2021.

On each weekend the following rounds will be shot –

Nationals Championships

Saturday 1 x 720 rounds

Sunday 1 x 1440 rounds

Para and VI Nationals Championships

Saturday 1 x 720 round

There will be no field or clout.

The two shoot dates will allow for any anomalies in weather and ensure those who want to participate can have the opportunity to post at least one score if a selected date is inconvenient.

The results will be determined will be an archer's best (single) 720 and 1440 scores over the two tournaments. Archery Australia will be managing the presentation of medals and will be awarded after when all tournaments are conducted nationally.

Penrith City Archers will be hosting the two tournaments on behalf of ASNSW.

The two tournaments in NSW will be conducted on the –

27/28 November 2021

4/5 December 2021.

Medals for Short Distance 720 Round and 1440 Rounds to be awarded separately.

Archers can only shoot two of each round as a maximum.

All locations run with full complement of judges under tournament conditions.

National Tournament records will not be awarded, however, Australian and State Records can be achieved as the events will be shot under tournament conditions.

Para archers must decide if they wish to compete in the Para Tournament or the able body Tournament for each event – that is, they need to decide at the time of registering which division they will shoot in for both the 1440 and 720 rounds (Nationals Championships) or just the
