## FROM ANSW OFFICIALS (Judges) CONVENOR

### **CONGRATULATIONS**

Peter Bennett has completed his National Judge Candidate requirements (despite the limited opportunities during COVID lockdowns); and Peter is now an accredited NATIONAL JUDGE !

And, as "post-COVID tournaments" resume this year, Archery NSW will welcome more members who are willing to serve as Judges.

## FROM ANSW YOUTH COORDINATOR

We need you to provide us valuable feedback:

Archery NSW is upgrading its uniforms this year with a new design. This design will stay in place for the next four years. This time we are making available the uniform to be purchased by all members.

The uniform comprises a range of garments which you can view in the survey.

If you are selected to represent NSW, you will also receive State team badges to sew on to your garments which features the NSW State emblem.

Please help us by filling out the survey – please note this is not a commitment to purchase, but it will help us know what our membership wants.
